Dear Church Member,

Advent Health Care (Advent) is inviting you to join a one-hour virtual Town Hall Meeting to discuss what Advent's future services and operations could be.

Advent is the successor organization of North York Branson Hospital, which was established by the Adventist Church in the 1950s. Our campus is located near the intersection of Bathurst St. and Finch Ave. W., next to the Willowdale SDA Church and Crawford Adventist Academy. We currently operate Valleyview Residence, a 174-bed long term care home and Forestview Retirement Residence, a 128 suite, new retirement residence.

Advent has a development plan for the campus from the early 2000s. The plan needs updating in light of changes since then. The Advent Board of Directors is in a strategic planning process and welcomes input from church members about what services and activities Advent should focus on.

At the Town Hall meeting, Advent will provide an overview of our current operations and you're your ideas and inputs to inform the strategic planning process. Three Town Hall meetings are scheduled as follows:

**Thursday, January 13, 2022 @ 7 pm**

**Sunday, January 16, 2022 @ 11 am**

**Tuesday, January 18, 2022 @ 7 pm**

If you are interested to participate, please register for one of these town halls by calling 416-398-5270 or emailing [info@adventhealth.org](mailto:info@adventhealth.org) and indicate which meeting you want to join. Once registered, you will be sent the session link and some background material.

We encourage your participation and please know that your ideas and suggestion are valued and important to Advent as it plans for future service to the community.

Sincerely,
