

Ontario Conference Missional Calendar 2022- FINAL

For 2022, our mission to make disciples for Jesus will determine everything we do. We will continue seeking to: Connect like Jesus, create multiplying churches, transform plateauing churches into growing ones and revitalise declining congregations. However, we need Spirit-filled leaders at all levels of church life, in the home and school to bring about this change. This will be the emphasis for 2022. There are two goals and their related objectives:

GOAL 1:	To develop a culture of healthy leadership where the competency level on the NCD Empowering Leadership (or other assessment tool) score is increased.
OBJECTIVES:	1. To develop and implement a curriculum for a healthy leadership culture in each entity by June 30, 2022 2. By October 25, 2022, at least 30 congregations will participate in an NCD Church Health Assessment: a. By October 25, 2022, at least 30 congregations will participate in an NCD Church Health Assessment b. Increase the average score of leaders being seen as spiritual examples by 5 points by October 31, 2022
GOAL 2:	To strengthen the management of all entities to operate effective organisation structures to strategically carry out the Mission of God.
OBJECTIVES:	1. By December 31, 2022, all entities will know, believe and strategically implement the Mission of God 2. By December of 2022, at least 50% of entities will be mission-driven (using Mission-driven BASICS, Mdx or other strategic tool)
